

Session Program

March 16, 2021

**[SORSE] On evaluating research software, the
R package QGameTheory, and a reproducible
PhD**

Lightning Talks

Virtual (Zoom)

Tue, March 16

2:30 PM

Lightning Talks

Session | **Location:** Virtual (Zoom)

14:30 - 14:40

QGameTheory: An R package for teaching quantum computing and quantum game theory to students**Speaker**

Indranil Ghosh

14:40 - 14:50

Four pillars of a reproducible PhD**Speaker**

Jamie Quinn

2:50 PM
