

## **Session Program**

**November 8, 2021**

# **7th bwHPC Symposium Computational Chemistry & Pharmacy**

Ulm University, Zoom Online Event

# Mon, November 8

1:30 PM

## Computational Chemistry & Pharmacy: (Chair: M. Thoss)

**Session** | **Location:** Ulm University, Zoom Online Event

13:30 – 13:45

### Quantum chemistry and machine learning in computational materials and interface chemistry

**Speaker**

A. Groß

**Location**

Ulm University

13:45 – 14:00

### Multi-scale simulations of exciton and charge transfer processes in organic and biological materials

**Speaker**

M. Elstner

**Location**

Karlsruhe Institute of Technology

14:00 – 14:15

### Machine Learning meets Quantum Chemistry

**Speaker**

F. Böckler

**Location**

Tübingen University

2:15 PM
