

Session Program

November 8, 2021

7th bwHPC Symposium Biology & Life Sciences

Ulm University, Zoom Online Event

Mon, November 8

4:15 PM

Biology & Life Sciences: (Chair: A. Neueder)

Session | **Location:** Ulm University, Zoom Online Event

16:15 – 16:30

Proteogenomic approaches applied to the study of cancer resistance and gut microbiome

Speaker

N. Nalpas

Location

Tübingen University

16:30 – 16:45

Thermodiffusion molekularer Fluide: Bottom-Up-Simulationen hin zu komplexen Systemen

Speaker

N. Zimmermann

Location

Stuttgart University

16:45 – 17:00

Using cryo-electron microscopy to understand the structural basis of microtubule nucleation

Speaker

E. Župa

Location

Heidelberg University

5:00 PM
