bwHPC - Kompetenzzentrum Ingenieurwissenschaften

Monday, November 28, 2022 1:30 PM (30 minutes)

A poster is presented showing the key facts of bwHPC and its application in the field of engineering. The objective of the poster is the recruiting of new users for the bwHPC hardware at the different university locations. It should help new users to get an easy access to the bwHPC infrastructure. The poster illustrates steps to the initial simulation on the cluster, points out ways of support for users and presents the “Kompetenzzentrum Ingenieurwissenschaften”.

Presenter: Prof. STAUCH , Rainer

Session Classification: Poster session
