

Session Program

October 31, 2017 to November 3, 2017

International Workshop on Medical Ultrasound Tomography

Session 1: Imaging and inversion I

Wed, November 1

9:30 AM

Session 1: Imaging and inversion I

Session | **Location:** Lecture hall | **Conveners:** Andreas Fichtner, Jürgen Hesser

09:30 - 09:50 **One-dimensional Marchenko inversion in stretched space**

Speaker

Joost van der Neut

Location

Lecture Hall

09:50 - 10:10 **Ultrasound imaging from reflection data**

Speaker

Frank Natterer

Location

Lecture Hall

10:10 - 10:30 **Using 2-D approximation of the 3-D incident field for Born inversion**

Speaker

Ulas Taskin

Location

Lecture Hall

10:30 AM
