

Session Program

October 31, 2017 to November 3, 2017

International Workshop on Medical Ultrasound Tomography

Session 3: Imaging and inversion III

Wed, November 1

1:20 PM

Session 3: Imaging and inversion III

Session | **Location:** Lecture hall | **Conveners:** Peter Huthwaite, Neb Duric

13:20 – 14:00

Medical ultrasound tomography: lessons from exploration geophysics

Speaker

Gerhard Pratt

Location

Lecture hall

14:00 – 14:20

Non-linear Ultrasonic Computed Tomography (USCT) for soft and hard tissue imaging

Speaker

Philippe Lasaygues

Location

Lecture Hall

14:20 – 14:40

Scattering Computed Tomography visualizing density distributions by back-propagation

Speaker

Daisuke Kondo

Location

Lecture Hall

2:40 PM
