

## **Session Program**

**October 31, 2017 to November 3, 2017**

# **International Workshop on Medical Ultrasound Tomography**

## **Session 10: Clinical application II**

## Fri, November 3

1:20 PM

### Session 10: Clinical application II

**Session** | **Location:** Lecture hall | **Conveners:** Nicole Ruiter, Michael Zapf

13:20 – 14:00

#### Optoacoustic tomography and the pathway to commercialization

**Speaker**

Christian Wiest

**Location**

14:00 – 14:20

#### Feasibility study on USCT for brain imaging to estimate artifacts and image distortion caused by bone propagation

**Speaker**

Yuki Hayashi

**Location**

Lecture Hall

14:20 – 14:40

#### Multi-perspective ultrasound imaging of abdominal aortas

**Speaker**

Niels Petterson

**Location**

Lecture Hall

2:40 PM
