

The HGF programme Matter and Universe: scientific research in view of PoF-III

Monday, September 16, 2013 - Tuesday, September 17, 2013

KIT (Campus South bldg. 50.41)

Scientific Program

The programme of this 2-day meeting consists of introductory presentations of the HGF programme **Matter and Universe** and the groups involved in it at the different HGF centres.

There will be overviews of the 3 topics within **Matter and Universe**, followed by highlight talks on Research activities spun over various topics.

Substantial time will be devoted to discussions among participants. All overview talks should allow for 15min discussion time within the marked time slot.
