Open Merge Requests & Open Issues
Currently 17 open Merge Requests

Draft: Resolve "Invalid configuration used in corsika example"
!455 · created 2 weeks ago by Nikos Karastathis · Bug
updated 2 weeks ago

Draft: Stochastic photon propagation
!451 · created 1 month ago by Jean-Marco Alameddine · EM
updated 1 month ago

Resolve "Observation plane cause infinite loop if absorbing = false" · 2 of 10 checklist items completed
!450 · created 1 month ago by Fan Hu · Bug · Easy First Issue · Output · Ready for Code Review
updated 1 week ago

Fix epos again again
!449 · created 1 month ago by Maximilian Reininghaus · Bug · Hadronic
updated 1 month ago

Draft: Resolve "Make a first validation test on the basis of radio-emission simulation"
!448 · created 1 month ago by Nikos Karastathis · Comments Requested · Discussion
updated 1 month ago

Interaction model selection at run-time · 0 of 8 checklist items completed
!442 · created 4 months ago by Maximilian Reininghaus · Comments Requested · Feature request · Ready for Code Review
updated 4 months ago

Draft: Resolve "gcc12 does not compile boost 1.76.0"
!441 · created 4 months ago by Maximilian Reininghaus · Build System · Limitation
updated 3 days ago · Approved

Draft: Develop Cherenkov emission module · 0 of 8 checklist items completed
!436 · created 5 months ago by Matthieu Carrere · Cherenkov emission · Comments Requested · Development · Discussion
updated 4 months ago

Draft: Resolve "Cubicinterpolation and boost version"
!435 · created 5 months ago by Matthieu Carrere · Bug · Build System · Continuous Integration
updated 5 months ago

Draft: Resolve "LongitudinalWriter fails in non vertical showers"
!434 · created 6 months ago by Nikos Karastathis · Bug · Output
updated 1 month ago

Fix treatment of energy cut settings in ProposalProcessBase.hpp
!433 · created 6 months ago by Jean-Marco Alameddine · EM
updated 1 month ago

Draft: Resolve "upgrade pythia to version 8.3xx"
!427 · created 8 months ago by Maximilian Reininghaus · First full release: CORSIKA 8.0.0 · Development
updated 2 weeks ago

Draft: Move our build requirements to c++20
!388 · created 1 year ago by Ralf Ulrich · Full physics demonstrator · Build System · Comments Requested · Continuous Integration · Discussion · Never Merge
updated 1 year ago

Radio interface
!329 · created 1 year ago by Nikos Karastathis · Radio Emission · Discussion · Feature request · code review in progress
updated 1 month ago

Draft: Resolve "New design of continuous processes"
!322 · created 1 year ago by Maximilian Reininghaus
updated 1 year ago

Resolve "Add number of calls in Process interface" · 9 of 9 checklist items completed
!276 · created 2 years ago by Dominik Baack · Project prototype structure 2 (refactoring) · Development · Easy First Issue · Approved · 17
updated 1 year ago

Interface to the TAUOLA library for tau lepton decays.
!200 · created 2 years ago by Remy Prechelt · Project prototype structure 2 (refactoring) · Code Review Finished · Development · Ready for Code Review · Approved · 20
updated 2 years ago
