

2019 – 3rd Workshop of

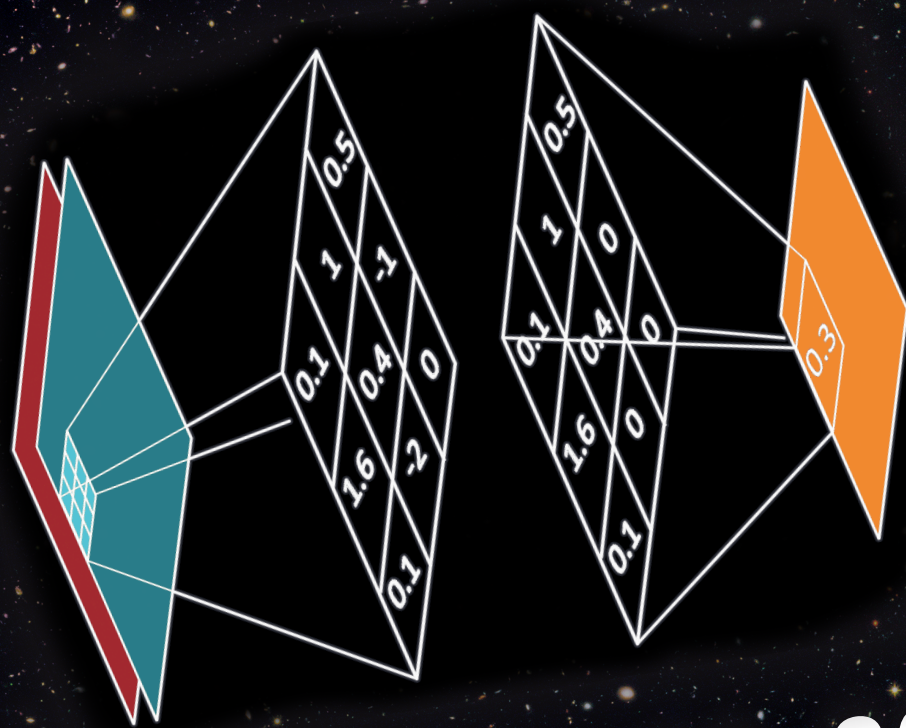

Big Data Science in Astroparticle Physics

HAP Workshop: Deep Learning & Open Data

Topics

- Tutorial: Information Field Theory
- Modern machine learning
- Open data access, processing
- Future multimessenger efforts

Contributions by key note
speakers and participants

February 18-20, 2019
RWTH Aachen University, SuperC

Organisation:

Martin Erdmann (RWTH)
Andreas Haungs (KIT)
