

Session Program

Oct 7 - 18, 2024

KSETA Topical Courses October 2024

**Novel strategies for high-granularity and
radiation hardness LGAD sensors and front-
end electronics**

Wed, October 16

9:00 AM

12:15 PM

Novel strategies for high-granularity and radiation hardness LGAD sensors and front-end electronics: Part I

Session | **Location:** Bldg. 242, Room 413 (CN, IPE) | **Convener:** Michele Caselle

Thu, October 17

9:00 AM

12:15 PM

Novel strategies for high-granularity and radiation hardness LGAD sensors and front-end electronics: Part II

Session | **Location:** Bldg. 242, Room 413 (CN, IPE) | **Convener:** Michele Caselle
