

Welcome!

10th International Workshop on High Precision for Hard Processes

Karlsruhe, October 5-9, 2026

20 years ago: 1st HP2 edition

HIGGS AND ELECTROWEAK | FEATURE

Zurich workshop faces the LHC’s precision challenge

27 March 2007

With Switzerland’s reputation for exactitude, Zurich was the ideal place for scientists to discuss high precision for hard processes at the LHC in last year’s HP² workshop.

Same theme, but “high precision” much higher now!

conference photo will be taken
on **Tuesday** lunchtime

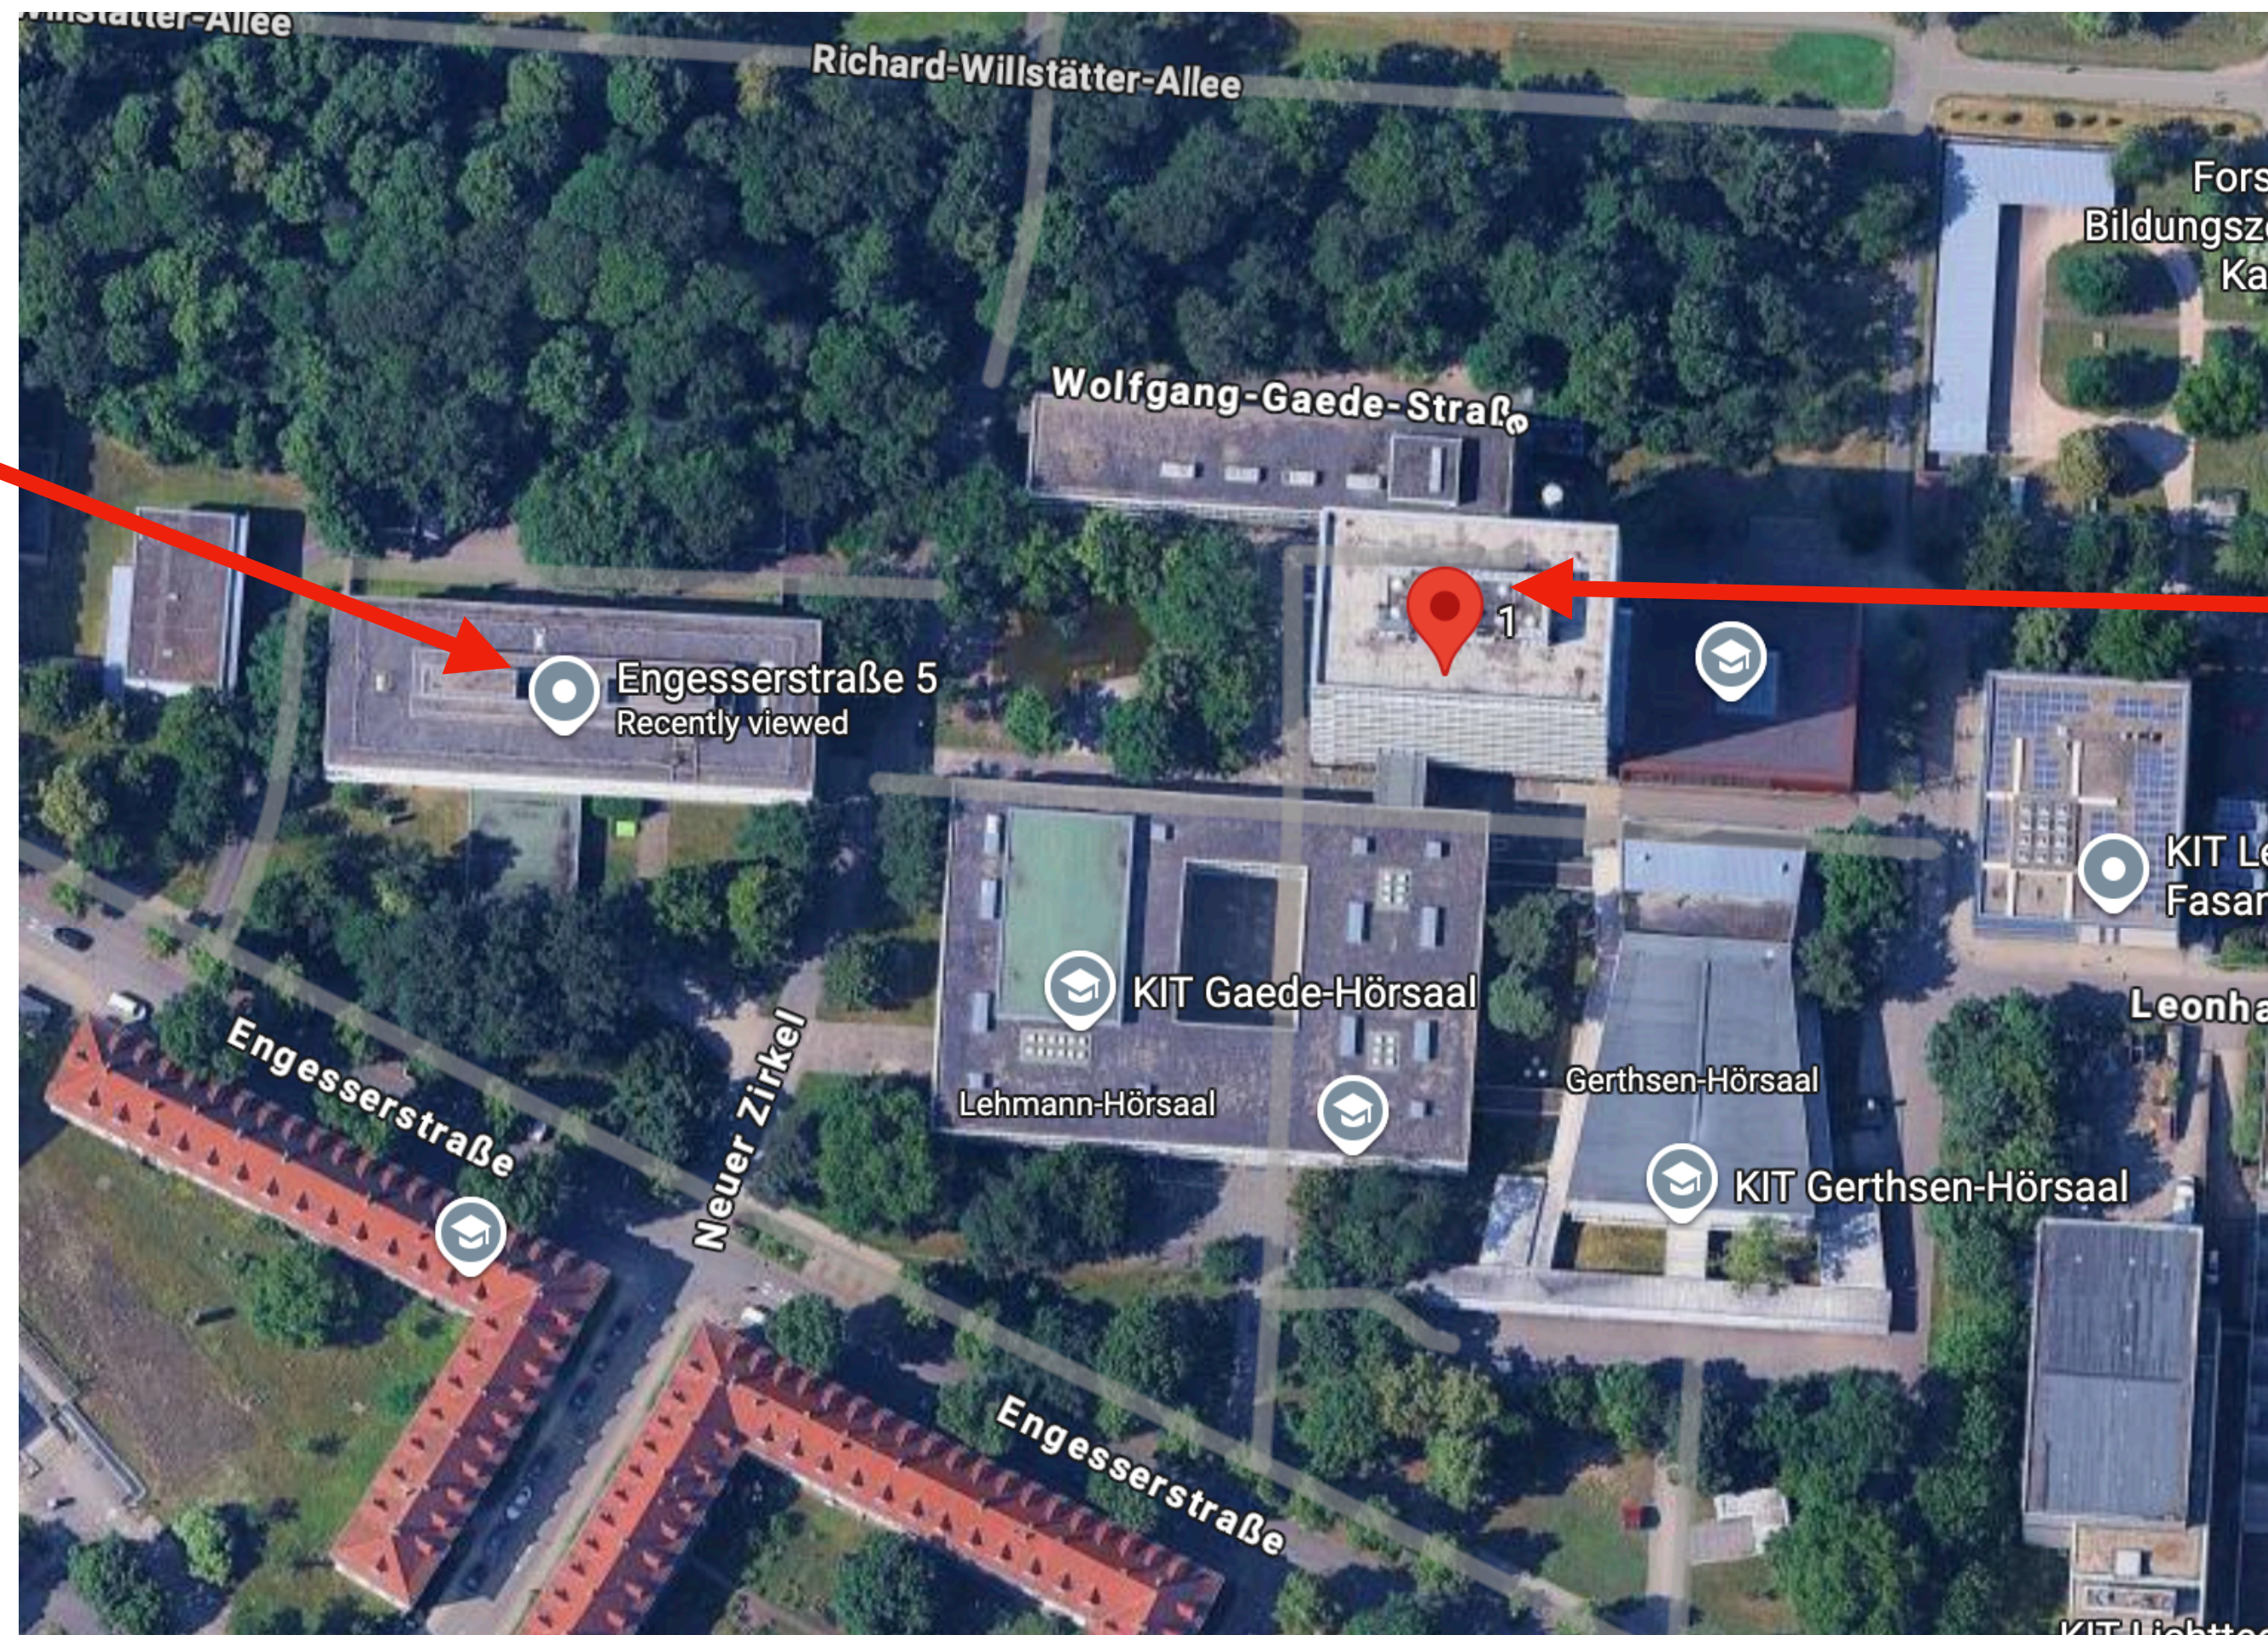

Organisational details

- Please upload your slides on indico the day before your talk
- The coffee breaks and lunch will be served in this building (Foyer)
- Tonight there will be a reception in the Foyer, starting at 18:30
- Parallel sessions:
 - * Triple parallel: NTI Hörsaal, Physics Highrise rooms 3-1 and 6-1
 - * Double parallel: Physics Highrise rooms 3-1 and 6-1
 - * 3-1: 3rd floor, 6-1: 6th floor (Seminar room)

Physics Highrise

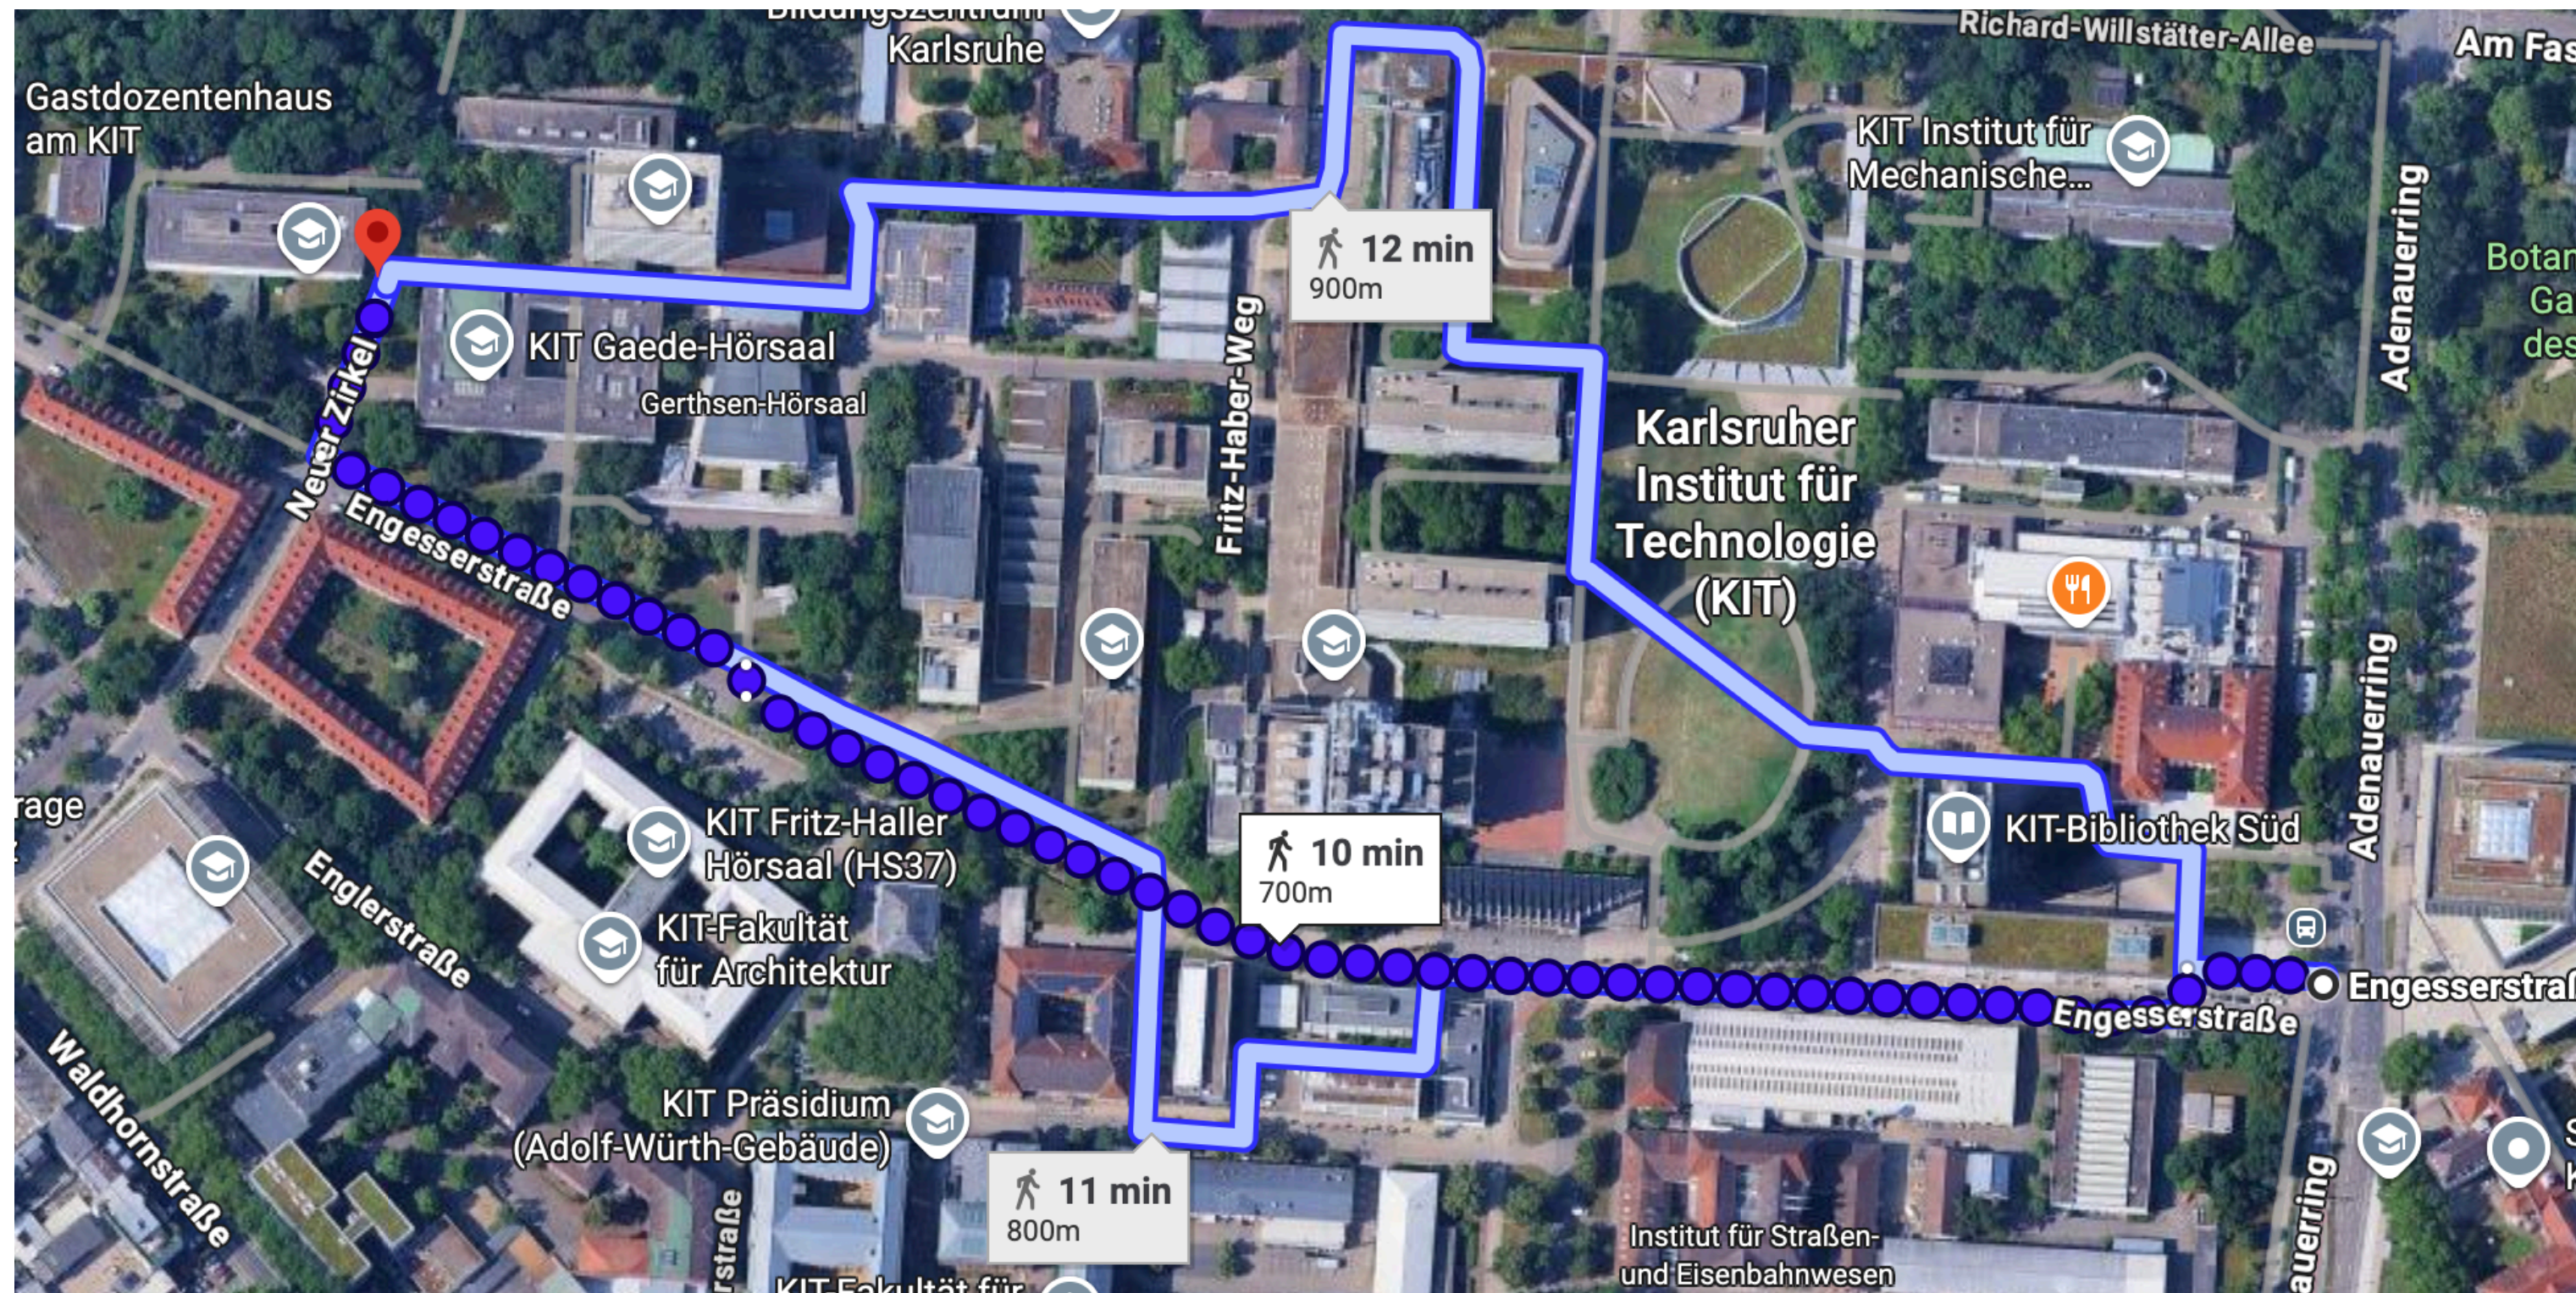

NTI Hörsaal

Physics highrise,
Wolfgang-Gaede-Str. 1

Excursions 1 and 2

- Bus for **excursion 1** (Castle Trifels) starts **at 14:00** in front of the **KIT Library**, Engesserstr. 22
10 mins walk, follow Bakar Chargeishvili, bus company Trischan Reisen
- Bus for **excursion 2** (Wine tasting) starts **at 14:30** in front of the **KIT Library**, follow Matthias Kerner

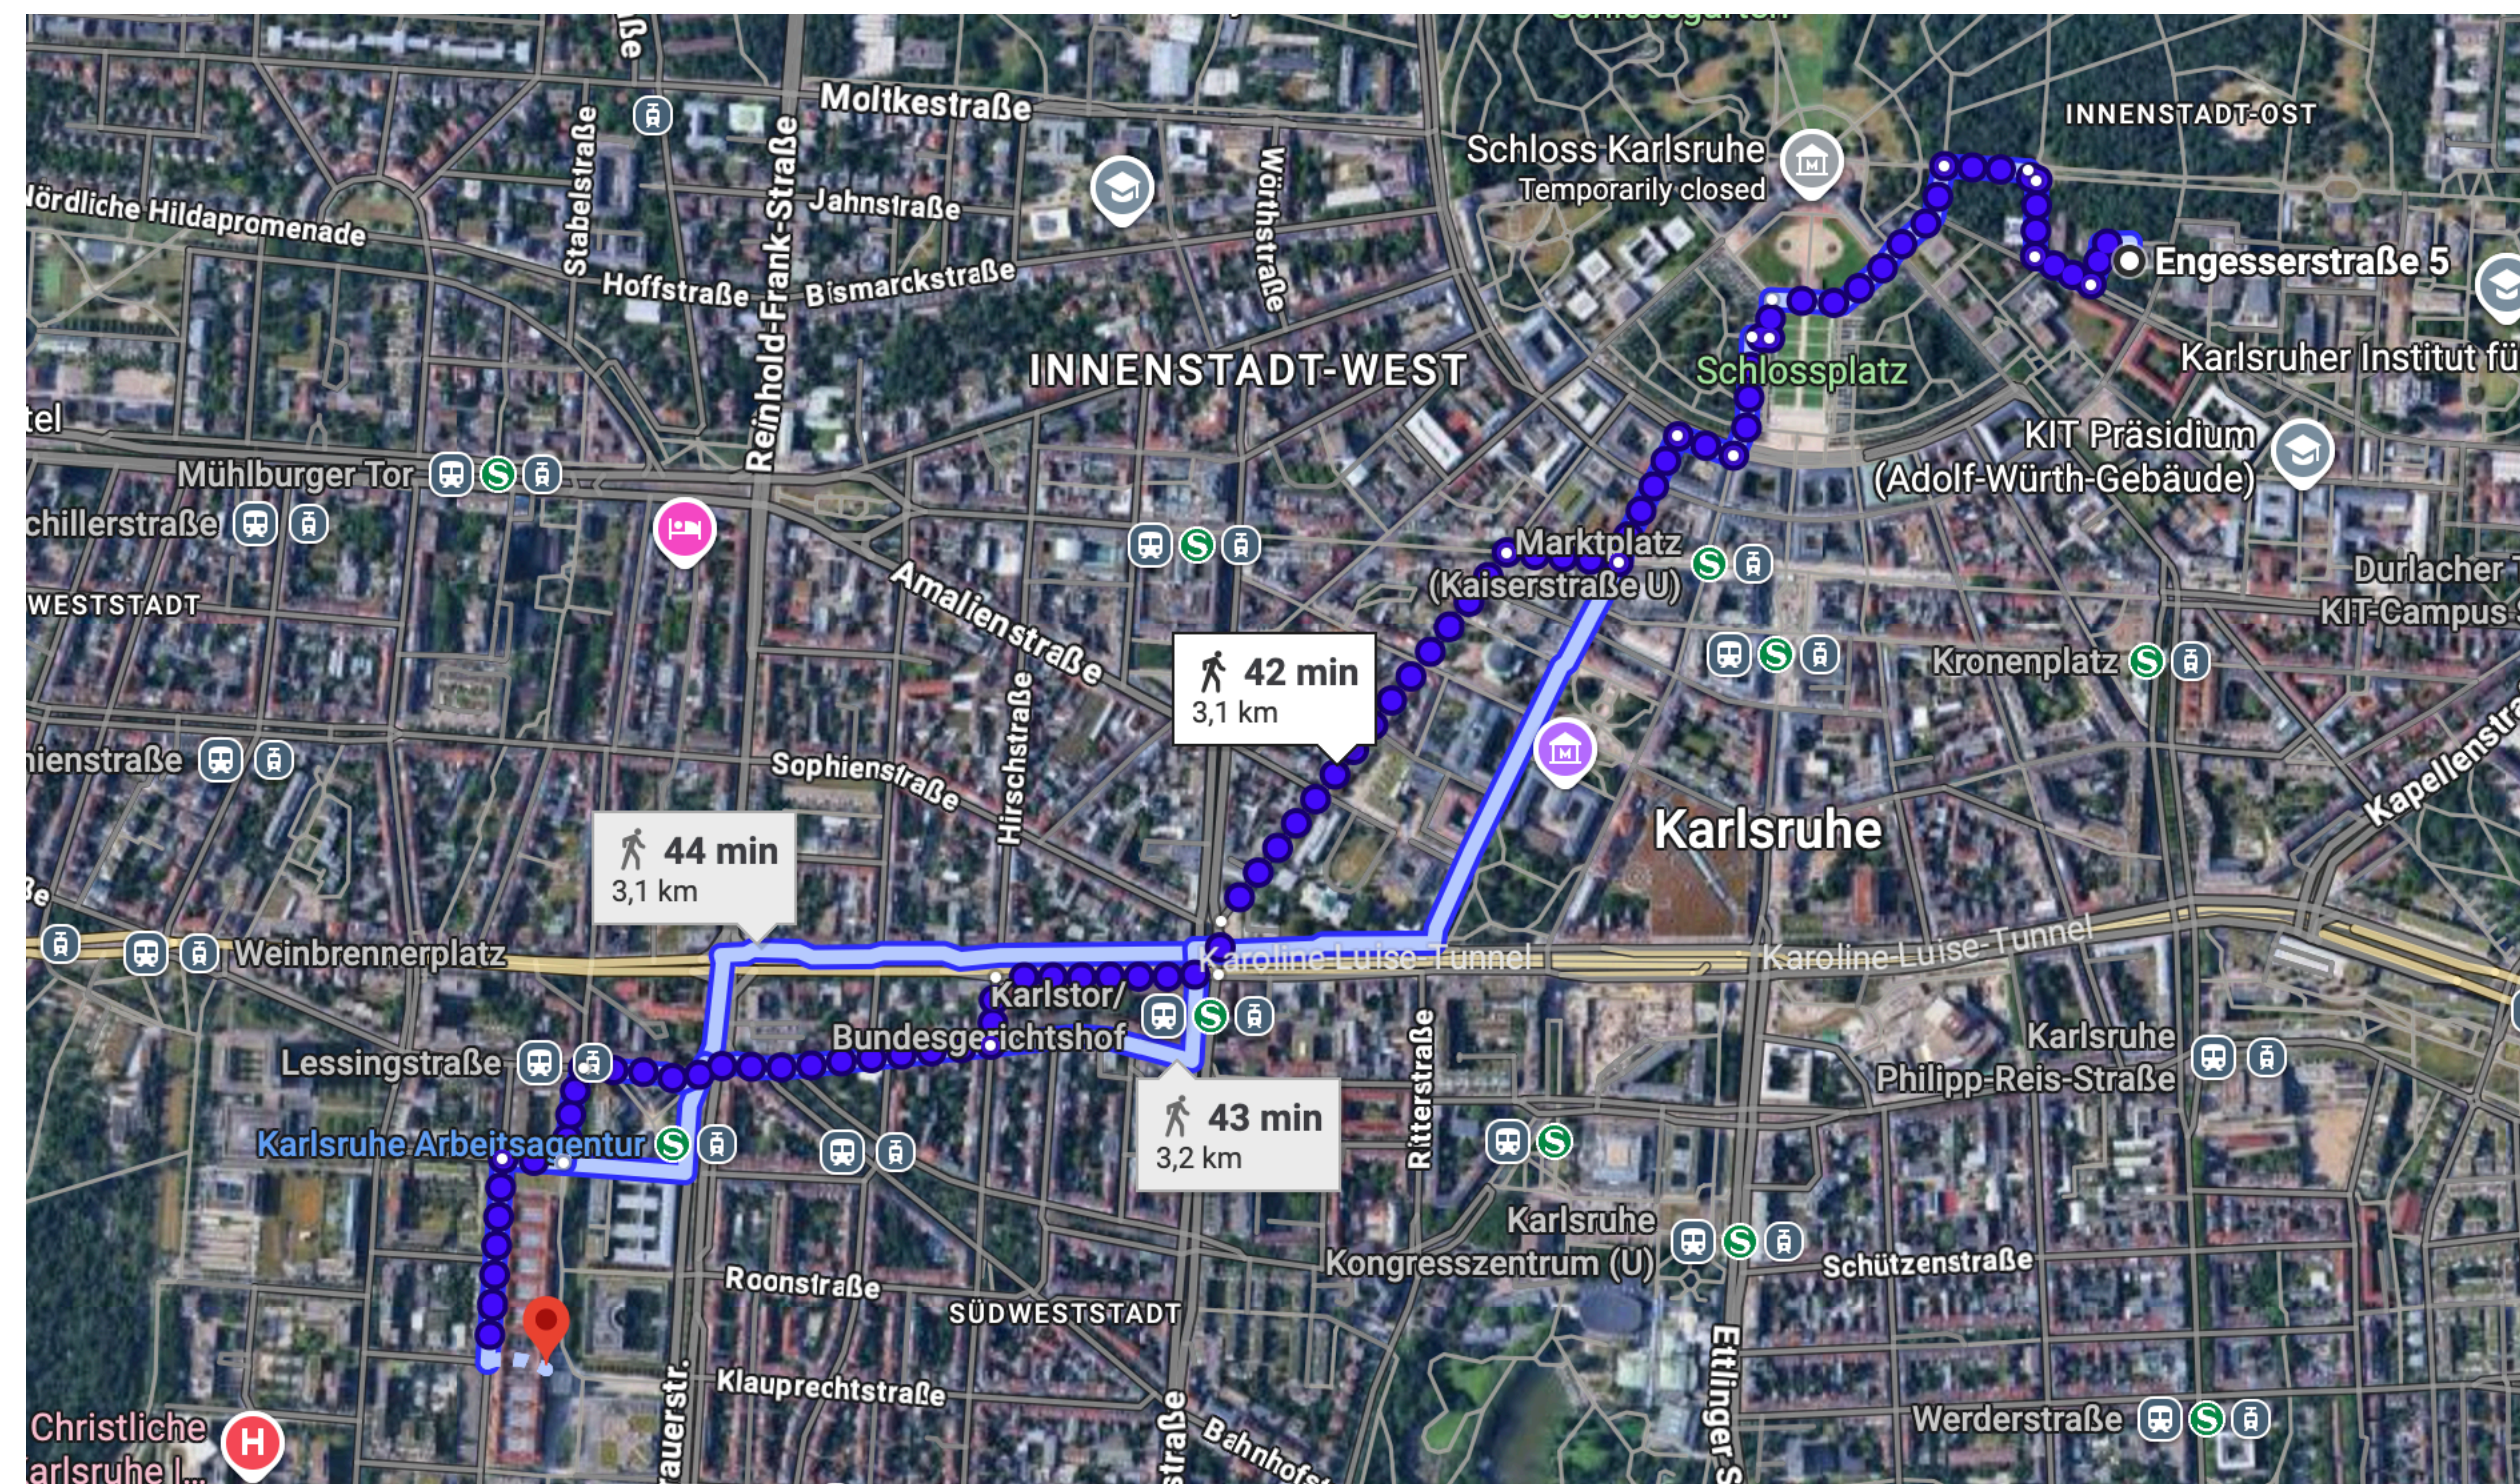

still free places left
for excursion 1

Excursion 3

Centre for Arts and Media (ZKM), Lorentzstr. 19, 76135 Karlsruhe, **15:00-16:00**

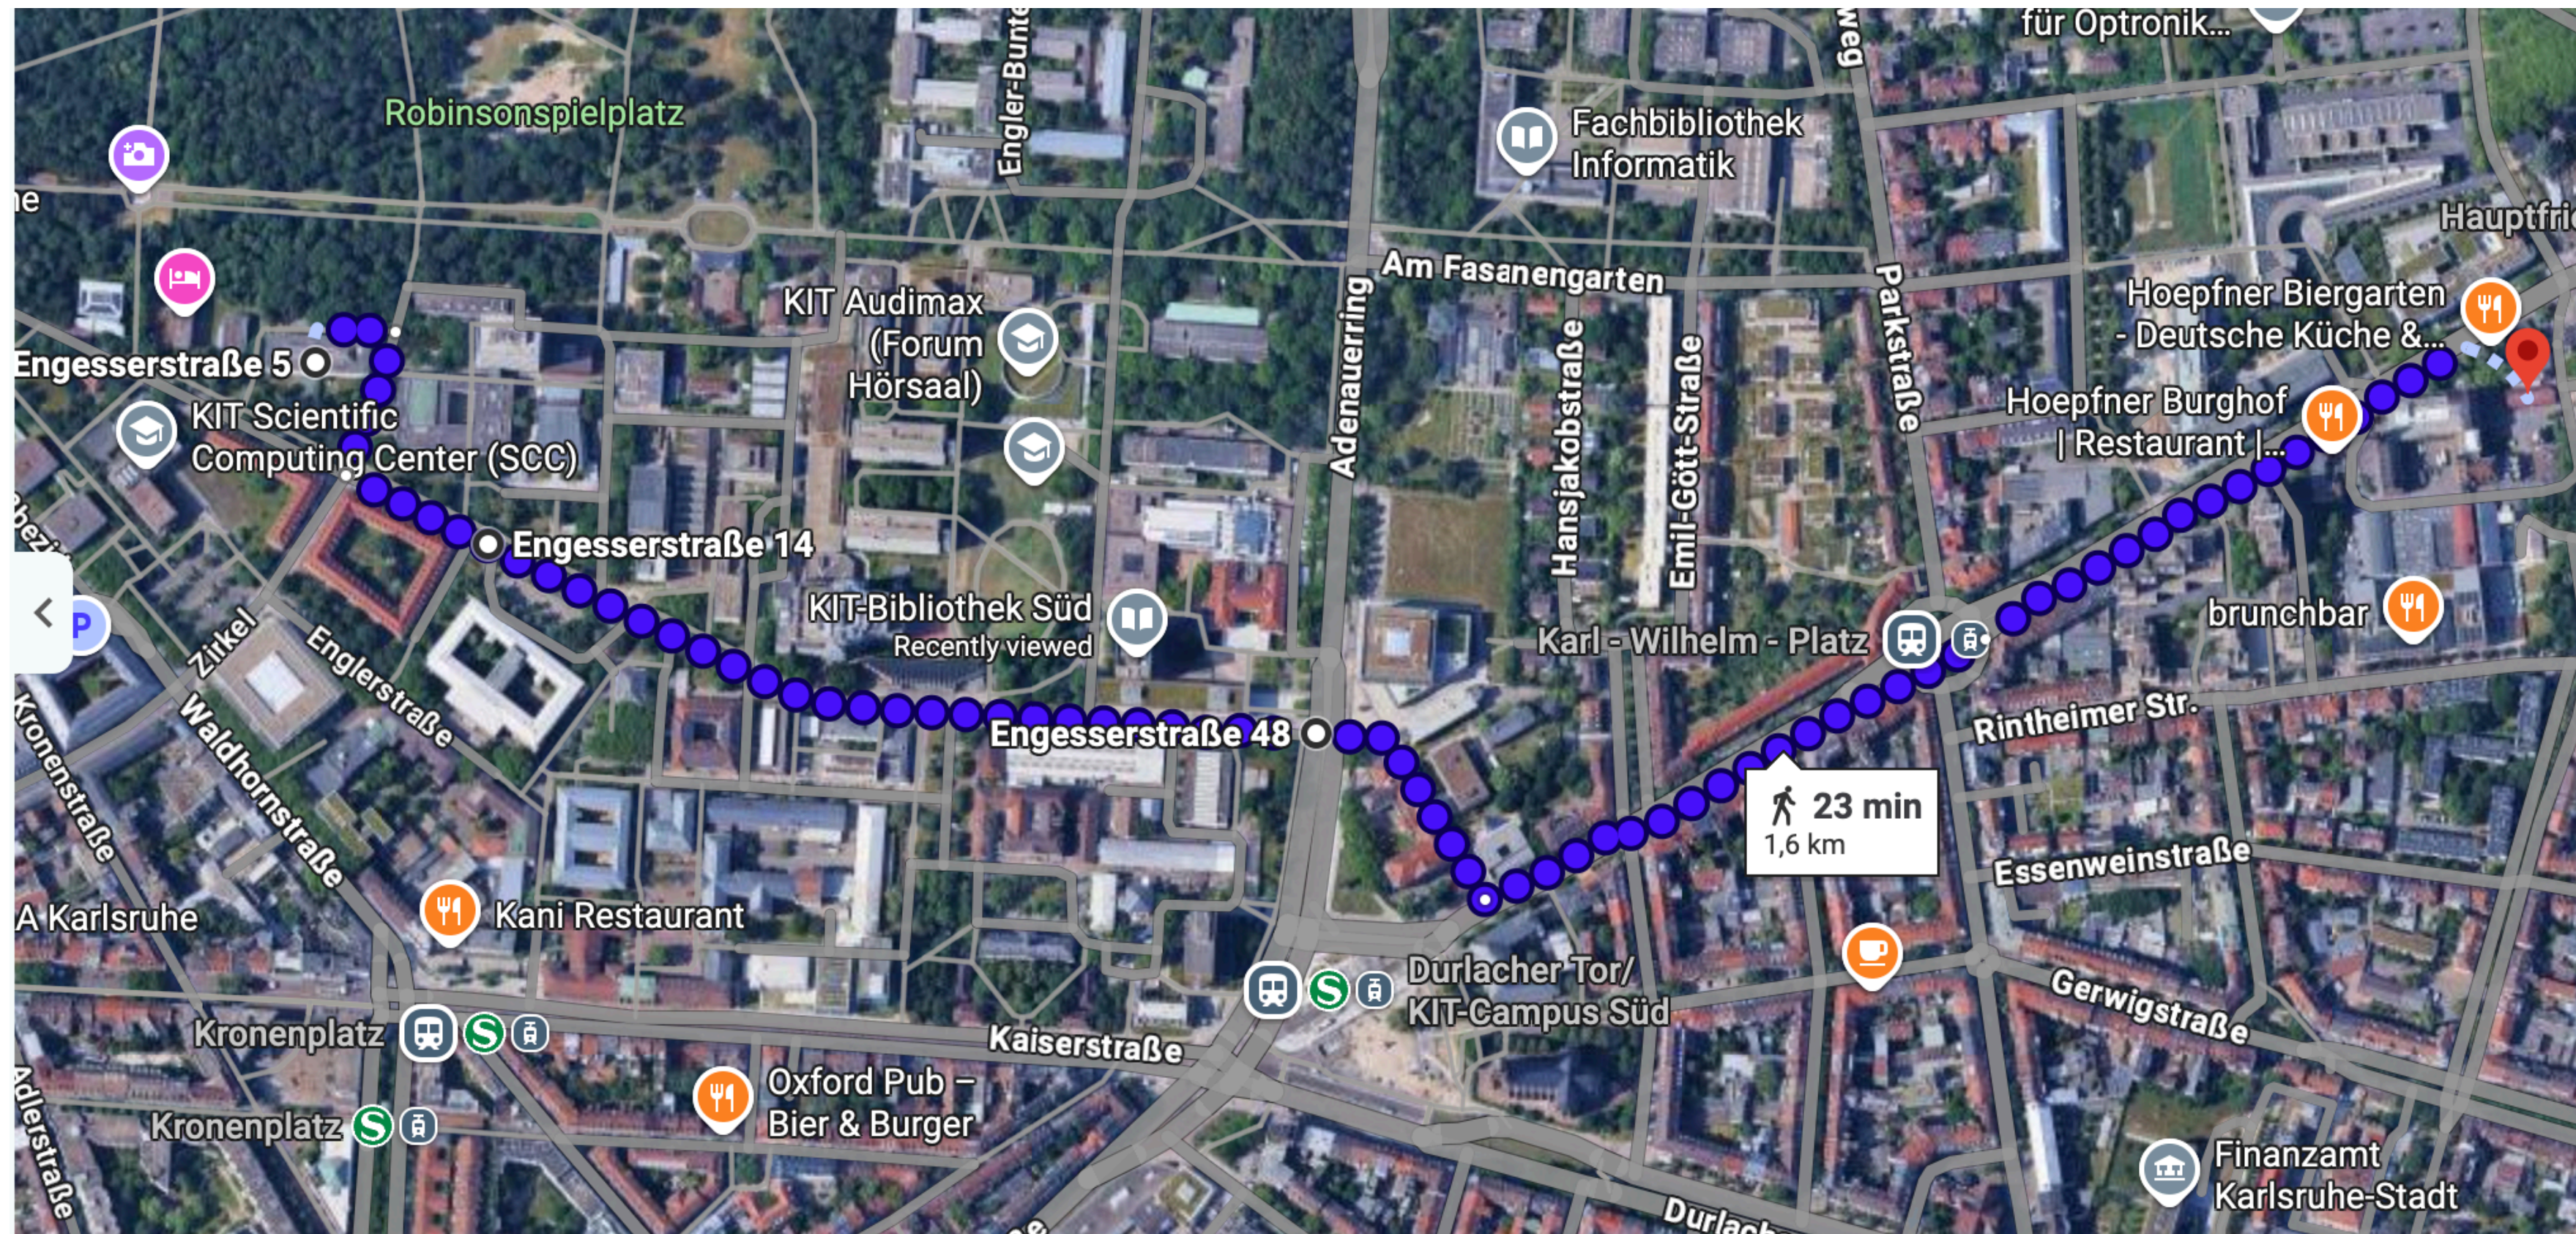

3km distance, better take the Tram, follow Riccardo Bartocci

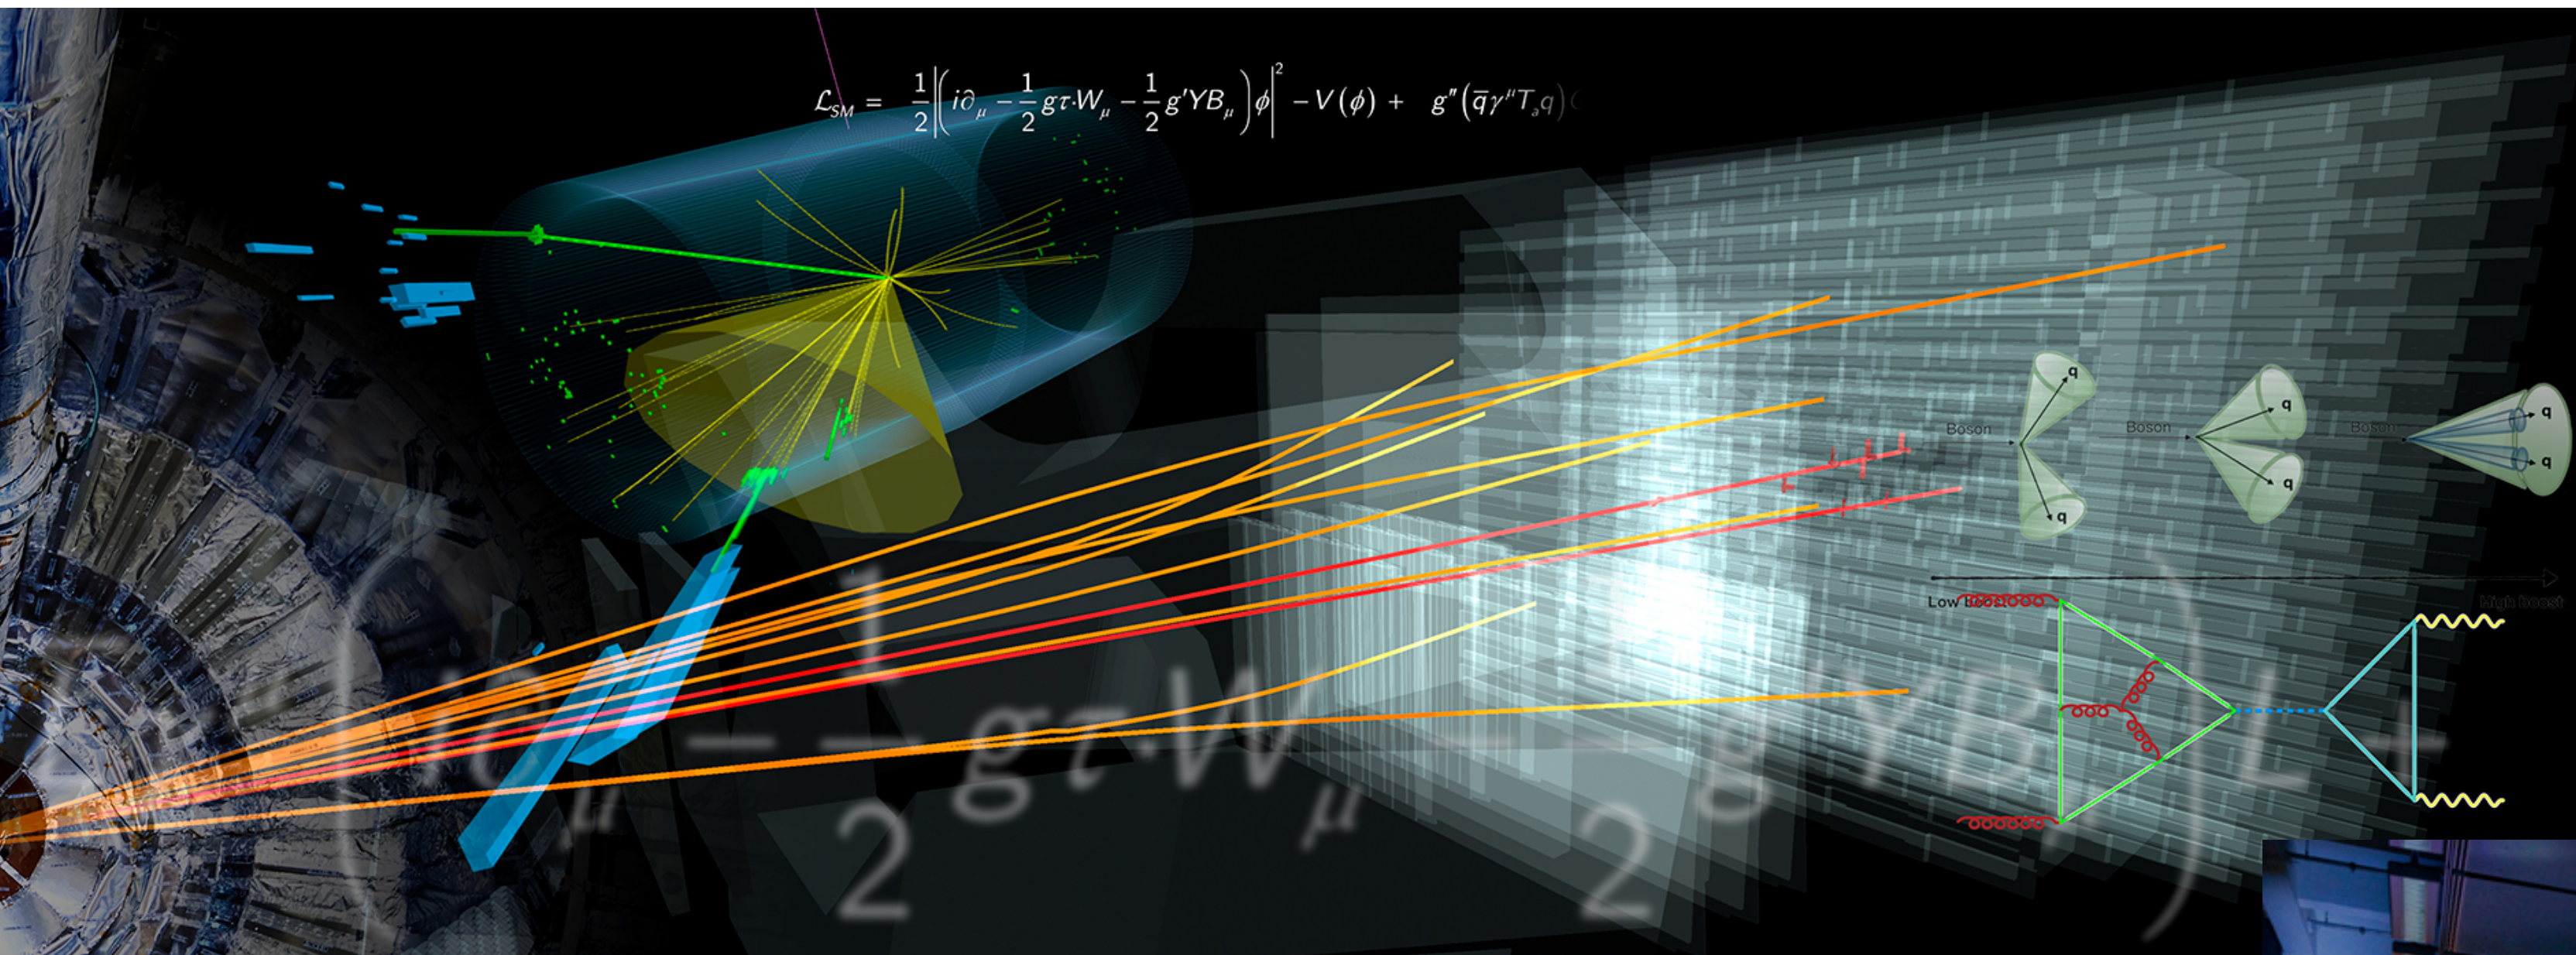

still free places left

Conference Dinner

Höpfner Brewery, room Schalander, Haid-und-Neu-Str. 18

Enjoy the Conference!
