

HPC Support Session

Thursday, October 23, 2025 3:35 PM (1 hour)

Description:

This is an open session for all course attendees. If you have any questions or are experiencing issues while using the Horeka HPC system, please join us for live troubleshooting and support.

Why you should join:

Get immediate help with technical problems.

Ask questions about the material covered in the course.

Ensure you can use HPC effectively after the course ends.

Presenters: BAER, Andreas; IBRAHIM, Hany (KIT); SCHUHMACHER, Leon Pascal (KIT - SCC); MESITI, Michele (KIT); WEISBROD, Peter
