

## Session Program

Mar 2 - 4, 2026

# Data-driven methods for partial differential equations

## Invited talks 1

Karlsruhe Institute of Technology

# Mon, March 2

1:15 PM

## Invited talks 1: AI for simulation (Speaker: Mishra, Dietrich)

**Session** |

**Location:** Math Building (20.30), Karlsruhe Institute of Technology, Room 1.067, Englerstr. 2, 76131 Karlsruhe |

**Convener:** Martin Frank

1:15 - 2:00 PM

### AI for Efficient Simulations of PDEs

**Speaker**

Siddhartha Mishra

2:00 - 2:45 PM

### Solving time-dependent PDEs with random feature models

**Speaker**

Felix Dietrich

2:45 PM
