Session Program

Mar 2 – 4, 2026

Data-driven methods for partial differential equations

Invited talks 2

Karlsruhe Institute of Technology

Mon, March 2

3:15 PM

Invited talks 2
Session | **Location:** Karlsruhe Institute of Technology

3:15 – 4:00 PM   **A statistical tour of physics-informed learning**

Speaker
Prof. Claire Boyer

4:00 – 4:45 PM   **When do World Models Successfully Learn Dynamic Systems?**

Speaker
Hanno Gottschalk

4:45 PM
