**Session Program**

**Mar 2 – 4, 2026**

# Data-driven methods for partial differential equations

# Invited talks 7

Karlsruhe Institute of Technology

# Wed, March 4

9:00 AM

## Invited talks 7
**Session** | **Location:** Karlsruhe Institute of Technology

**9:00 – 9:45 AM**

**On gradient stability in nonlinear PDE models and inference in interacting particle systems**

**Speaker**
Aurélien Castre

**9:45 – 10:30 AM** **Learning stochastic reduced order models from data**

**Speaker**
Melina Freitag

10:30 AM
