

Session Program

Oct 14 - 15, 2019

International Workshop on Medical Ultrasound Tomography

Oral Presentation: Systems

Integrative Biosciences Center
6135 Woodward Avenue Detroit, MI 48202 USA

Mon, October 14

9:25 AM	
9:45 AM	Oral Presentation: Systems: The New Generation of The Breast Ultrasound Tomography Imaging System in HUST (Junjie Song) Session Location: Integrative Biosciences Center, 6135 Woodward Avenue Detroit, MI 48202 USA
9:45 AM	
10:05 AM	Oral Presentation: Systems: Progress Towards an Open-Source, Low-Cost Ultrasound Computed Tomography Research System (Morgan Roberts) Session Location: Integrative Biosciences Center, 6135 Woodward Avenue Detroit, MI 48202 USA
10:05 AM	
10:25 AM	Oral Presentation: Systems: A Low-cost Ultrasound Computed Tomography System using Diagnostic Linear Arrays (Preena Patel) Session Location: Integrative Biosciences Center, 6135 Woodward Avenue Detroit, MI 48202 USA
11:20 AM	
11:40 AM	Oral Presentation: Systems: Towards 3D Brain Imaging in Small Animals using Full-Waveform Inversion (Thomas Robins) Session Location: Integrative Biosciences Center, 6135 Woodward Avenue Detroit, MI 48202 USA
11:40 AM	
12:00 PM	Oral Presentation: Systems: The Efficiency of an All-reflective Omnidirectional Illumination for Photoacoustic Tomography with a Ring Ultrasound Transducer (Suhail Alshahrani) Session Location: Integrative Biosciences Center, 6135 Woodward Avenue Detroit, MI 48202 USA
