

## **Session Program**

**8-12 Jun 2026**

# **2nd Fusion Neutronics Meeting 2026**

## **Overviews and Neutronics Strategies**

Karlsruhe Institute of Technology, Campus north, FTU  
Hermann-von-Helmholtz-Platz 1, 76344 Eggenstein-Leopoldshafen

# Monday 8 June

16:00

## Overviews and Neutronics Strategies

**Session** |

**Location:** Karlsruhe Institute of Technology, Campus north, FTU, Hermann-von-Helmholtz-Platz 1, 76344 Eggenstein-Leopoldshafen

16:00–16:20

### Overview of the UKAEA Neutronics Research Programme

**Speaker**

Alex Valentine

16:20–16:40

### Empowering Neutronics Fusion Development and Excellence: F4E's Approach to Knowledge, Open-Source Tools, and Industry Collaboration

**Speaker**

Marco Fabbri

16:40–17:00

### Overview of the neutronics studies for the Divertor Tokamak Test facility

**Speaker**

Flammini Davide

17:00
