

Session Program

8-12 Jun 2026

2nd Fusion Neutronics Meeting 2026

**Panel discussion on urgent fusion neutronics tasks for fusion energy realization.
Directions for following which neutronics can accelerate the practical use of fusion energy.**

Karlsruhe Institute of Technology, Campus north, FTU
Hermann-von-Helmholtz-Platz 1, 76344 Eggenstein-Leopoldshafen

Wednesday 10 June

16:30

17:45

Panel discussion on urgent fusion neutronics tasks for fusion energy realization. Directions for following which neutronics can accelerate the practical use of fusion energy.
