

## **Session Program**

**September 24, 2026**

## **12th bwHPC Symposium**

### **Break + Poster Session**

Universität Konstanz, M629  
Universitätsstraße 10, 78457 Konstanz

# Thu, September 24

10:55 AM

## Break + Poster Session: Coffee Break + Poster Session

**Poster Session** | **Location:** Universität Konstanz, M629, Universitätsstraße 10, 78457 Konstanz

### Protein stable isotope probing reveals anaerobic myo-inositol metabolism in the poultry intestinal microbiome

**Speaker**

Harshita Naithani

### Support as a Service: Building the bwFDM-Helpdesk for and with the RDM community in Baden-Württemberg

**Speaker**

Béla Koch

### Direct Estimation of Information Shares in Higher-Order Continuous-Time Models

**Speaker**

Karsten Schweikert

### Influence of phosphorylation on the structural stability of OTU11 studied with multiscale MD simulation

**Speaker**

Madlen Malcharek

### Phenomic Selection in Sugar Beet: Optimizing Genotype Evaluation through Seed NIRS and UAV-Derived Field Emergence

**Speaker**

Jagadeeshwar Reddy Etukala

### Architecture and operational concept of a hierarchical storage management system across two sites for the provisioning of research data

**Speakers**

Iven Fellhauer, Sabine Richling

### bwRSE4HPC - Research Software Engineering Support for High-Performance Computing in Baden-Württemberg

**Speaker**

Glen Houston Hunter

11:30 AM

12:25 PM

## Break + Poster Session: Lunch Break + Poster Session

**Poster Session** | **Location:** Universität Konstanz, M629, Universitätsstraße 10, 78457 Konstanz

1:40 PM

2:55 PM

## Break + Poster Session: Coffee Break + Poster Session

**Poster Session** | **Location:** Universität Konstanz, M629, Universitätsstraße 10, 78457 Konstanz

3:30 PM
