

Session Program

Jun 1 - 3, 2026

Julius Wess Award Lecture

Galactic and extragalactic cosmic rays and magnetic fields

Campus North, bldg. 425, room 206

Mon, June 1

11:00 AM

12:00 PM

Galactic and extragalactic cosmic rays and magnetic fields: Part I

Session | **Location:** Campus North, bldg. 425, room 206

Tue, June 2

11:00 AM

Galactic and extragalactic cosmic rays and magnetic fields: Part II

Session | **Location:** Campus North, bldg. 425, room 206

12:00 PM

2:00 PM

Galactic and extragalactic cosmic rays and magnetic fields: Part III

Session | **Location:** Campus North, bldg. 425, room 206

3:30 PM

Wed, June 3

11:00 AM

12:00 PM

2:00 PM

3:30 PM

Galactic and extragalactic cosmic rays and magnetic fields: Part IV

Session | **Location:** Campus North, bldg. 425, room 206

Galactic and extragalactic cosmic rays and magnetic fields: Part V

Session | **Location:** Campus North, bldg. 425, room 206
