

Time is flying – this week, we will welcome you at Heidelberg, and we are very much looking forward to meet you. We hope you won't be bothered by some more practical information which you will find below:

Registration and Help Desk

There is a registration and help desk at the New University (main conference venue) to which you can turn with any questions you might have during the conference. If you want, you can do your registration and receive the conference material already on Wednesday Sept. 11 between 5 pm and 8 pm. On Thursday, registration will be possible as from 8:30 am. During the conference you can contact the help desk 24/7 by phone: +49 – 6221 – 542450.

Internet access

Upon registration and along with your conference bag you will receive a personal WLAN access.

Emergency

If you need immediate medical care, please contact 112.

Quick information on emergency situations in specific regions will be provided by the mobile phone app NINA.

Presentations

Each Working Group is asked to give a short presentation on the outcome of the meeting and/or the results of the collaboration over the time to the presidents during the plenary session on Friday, 13 September 2019. The time frame for each presentation should be 10 to 12 minutes.
