

WELCOME TO THE CRC-WORKSHOP ON SOFT-COLLINEAR QCD DYNAMICS

Goal of the workshop

Bring together CRC groups working on different aspects of QCD

- ▶ explain in some detail what the current projects consist of
- ▶ learn the „language“ of the fixed-order / SCET / parton shower community
- ▶ identify fields in which we could combine our expertise
- ▶ initiate a common project . . .

Timetable

Thu 23/01
