

Workshop of

Sparse Digital Radio Arrays

**Selected topics on radio instruments
for astroparticle physics**

Contributions by
keynote speakers
and participants

Ultra-high energy cosmic rays,
gamma and neutrino

Self-trigger
radio arrays

ULF arrays
in space

Machine learning techniques
21cm cosmology

Organisation:

D. Kostunin (DESY, ISU)

G. Rubtsov (INR)

March 24-26, 2020

INR RAS, Moscow
