Session III: Heavy mesons

Session | **Location:**

14:00 – 14:40

The role of m_b and m_c in semileptonic B decays

Speaker

Paolo Gambino

14:40 – 15:20

Charm mass for semileptonic D decays

Speaker

Keri Vos

15:20 – 16:00

Mass effects in D meson lifetimes and mixing

Speaker

Alexander Lenz

4:00 PM
